

FREDERICO LEVY

Geospatial Analyst

PROFILE

Researcher with 2 years of experience supporting governance projects as a policy analyst and community engagement specialist. Seeking position as Geospatial Analyst.

EXPERIENCE

Research Assistant, The GovLab, Brooklyn NY — 06/2020 – 06/2022

Responsible for multidisciplinary research, liaising with government and civil society partners, grant writing, and data analysis and visualization for multiple projects.

- City Challenge: Liaised with government and civil society partners to create digital communication products and community engagement tools for the [City Challenge Oakland](#) and [Multi City Challenge Africa](#) projects.
- Smarter Crowdsourcing: Organized expert conferences for rapid intelligence gathering and produced insights for a diverse audience of policy makers, academics, and the general public in projects for clients such as the Select Committee for the Modernization of Congress and the Inter-American Development Bank.

Summer Community Intern, Sampapé, Sao Paulo, Brazil — 05/2019 - 08/2019

Responsible for community outreach, organizing engagement workshops, grant writing, and leasing and coordinating efforts with partner organizations.
